

# Become a Fossil

Not every dinosaur becomes a fossil. Conditions have to be just right.  
Use the chatterbox below to see if you can become a fossil.

T. rex	4 Buried in soft mud	1 Dry up	dinosaur
7 Washed away by waves	 	 	5 Washed away by the current
8 Eaten by scavenger	 	 	6 Gobbled up by a crocodile
bones	3 Rot away	2 Become a fossil	dig

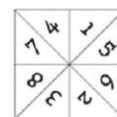

Cut out the square before you start

Fold back all four corners along the dotted line

Fold corners forward along the line

Your chatterbox should now look like this. Fold on the line to create the paper, then fold back the corner squares toward the centre.
